## Parking

**Free:** Free car parking is available right in front of the hotel. Parking for motorcycles and bicycles is **also free**.

**Secure:** A **paid indoor parking** area is available during reception opening hours.

## CSR & Health Commitment

At Hotel Capricorne, we are deeply committed to the safety and well-being of our guests and staff. We have reinforced cleaning, ventilation, and disinfection measures in rooms, reception, and common areas. Our staff is also trained in eco-friendly practices.

To support the local economy and help you discover regional flavors, we offer locally made jams and teas at breakfast.

We warmly invite our guests to **join our eco-friendly efforts: turn off lights and TVs when leaving the room, limit towel and sheet changes, use the recycling bins provided**, and prefer walking or cycling whenever possible. Every little gesture counts! Together, let's make your stay a moment of well-being for you — and for nature. 🌿
